SUBJECT MATTER

Stanley Park High School – Purchase of Furniture and Equipment

As part of the Building Schools for the Future Project, there is a requirement to purchase loose and fixed new furniture and equipment for the new school

It has been agreed that the purchase of this furniture and equipment will be through Kent County Supplies utilising the Central Buying Consortium framework.

DECISION

To authorise the Strategic Director of Resources to

a) approve the purchase of furniture and equipment through Kent County Supplies.

b) note that the capital funding to support this purchase is contained within capital estimates for the Stanley Park re-build scheme, for which funding has already been released.

REASONS FOR DECISION

The furniture and equipment now needs to be ordered so that the school is ready to open in January 2012.

MATTERS TAKEN INTO CONSIDERATION

Kent County Supplies are local authority owned and has been trading for over 75 years established a reputation for value for money and customer service excellence.

Importantly KCS are a significant member of Central Buying Consortium framework and all of goods purchased through KCS are OJEU compliant.

FINANCIAL IMPLICATIONS

Provision of £650k for loose furniture and equipment and £95K for lockers and benching has been made within the overall project budget for purchase of furniture and equipment, from which this will be funded.
